

ModelHandle::ModelHandle

```
graph LR; A[ModelHandle::ModelHandle] --> B[ModelHandle::system<br/>_begin]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'ModelHandle::ModelHandle'. The right box is gray with a black border and contains the text 'ModelHandle::system' on the top line and '_begin' on the bottom line.

ModelHandle::system
_begin
